

Task: Match Daendels' solution to the correct problem

Daendels' Problems	Solutions
There is a rebellion against Dutch rule	Build the Great Post Road to improve troop movements and communications
The British might invade	Use the Dutch residents to control the local courts
The local Javanese courts were very powerful and might ally with the British	Have the rebels brutally put to death as an example to others
The Yogyakarta court was very rich and powerful	Control economic resources such as timber by giving the Dutch a monopoly to generate wealth

<p>The Franco-Dutch administration was very poor</p>	<p>Impose treaties on them that make them clearly subordinate to the colonial regime</p>
<p>Robbers are attacking the Dutch regions from the Sultan's lands</p>	<p>Kill Ronggo and use his rebellion as a pretext to raid the Yogyakarta treasury</p>
<p>Radèn Ronggo, a minor noble leads a rebellion against the Dutch regime</p>	<p>Build up the colonial forces</p>
<p>The local courts and particularly Yogyakarta were very independent and a potential rival to the colonial regime</p>	<p>Hold the Sultan personally responsible for the actions of the robbers</p>
<p>The Colonial Military was very weak</p>	<p>Take money from the Yogyakarta treasury</p>

Answer Sheet

Problems	Solutions
There is a rebellion against Dutch rule	Have the rebels brutally put to death as an example to others
The British might invade	Build the Great Post Road to improve troop movements and communications
The local Javanese courts were very powerful and might ally with the British	Use the Dutch residents to control the local courts
The Yogyakarta court was very rich and powerful	Take money from the Yogyakarta treasury

The Franco-Dutch
administration was very poor

Control economic resources
such as timber by giving the
Dutch a monopoly to generate
wealth

Robbers are attacking the
Dutch regions from the Sultan's
lands

Hold the Sultan personally
responsible for the actions of
the robbers

Radèn Ronggo, a minor noble
leads a rebellion against the
Dutch regime

Kill Ronggo and use his rebellion
as a pretext to raid the
Yogyakarta treasury

The local courts and particularly
Yogyakarta were very
independent and a potential
rival to the colonial regime

Impose treaties on them that
make them clearly subordinate
to the colonial regime

The Colonial Military was very
weak

Build up the colonial forces
